4. Misson and Vision

The ITU EAGE student chapter take up the role of providing motivation and encouraging interest among students studying earth sciences.

Mission

Our mission as a student chapter at ITU is providing dissemination of knowledge among students by organizing technical lectures, seminars, short courses given by academic and industry professionals and extracurricular activities such as networking events, field trips and company visits.

Vision

We're committed to achieve educatory and beneficial organisations for being one of the steadily growing student chapter.

5. Logo

We have designed a peculiar logo representing our university (bee symbol). We request your approval for using this logo officially.

6. Activities (January 2017- December 2017 Term)

6.1. Orientation

Early at the beginning of 2017-2018 fall semester (September 15th, 2017) we organized a student orientation program to the freshmans and introduced EAGE and ITU EAGE student chapter. We met about 30 new students. 15 of them benefited from free membership option however the rest of the students are waiting for the next years free registration session. Pictures from the orientation day and a screenshot from the presentation is given below.

6.2. Donation Activities

On September 22th, we raised donation for the ITU EAGE and SEG Student Chapters from the members of the department to cover stationery expences of the student chapters. We cooked and shared EAGE and SEG cookies to donors as a gift.

6.3. Advertisement Brochures and Announcements

Since we set a budget from the donations, we prepared new wall announcements for ITU EAGE and SEG student chapters and hang them in the faculty walls.

6.4. Networking

In order to get in touch with more people we create an Instagram account (ID:itu_eage) and have new friends from our university and communicate with other international EAGE student chapters from all over the world. Up to now we have an interaction with 13 international Eage Student Chapters given below and we are following their events.

- Hasanudden University (Indonesia)
- Cuyo University (Argentina)
- Gubkin University (Russia)
- Sharif University of Technology (Iran)
- University of Los Andes (Colombia)
- University of Mexico
- The Instituto Politécnico Nacional (Mexico)
- University of Ujat (Mexico)
- Tyumen Industrial University (Russia)
- Perm State National Research University (Russia)
- University of Brawijaya (Indonesia)
- Universidad Autonoma del Carmen (Mexico)
- Suez University (Egypt)

We also add eage_global to keep in touch with EAGE official account to track the activities from Instagram.

6.5. Seminars

The first seminar was given by Sait Baytok in October 6th, 2017. We found a local sponsorship for this organization. Society of Petroleum Geophysicists of Turkey (<http://www.pjfd.org.tr/>) covered the travel and accommodation expenses of our guest speaker. The announcement of the seminar and the copy of the certificate of appreciation is given below. Beside the certificate of appreciation we prepared a gift package by gathering some souvenir objects from our faculty.

6.6. Participation in EAGE sponsored events

6.6.1. Panel Participation

In June 13th, ITU EAGE Student Chapter Advisor Ayse Kalilar was invited as a panelist to the following panel:

How to explore your career path? Talk face to face with universities representatives from all over the world.

Panelists: 5 people.

-Prof. MacBeth, Colin . e-mail:C.MacBeth@hw.ac.uk>Heriot Wat University, UK

-Dr. John D. Humphrey is Associate Professor of Geosciences at King Fahd University of Petroleum and Minerals. E-mail: humphrey@kfupm.edu.sa

- Andrzej Pasternacki, Research And Teaching Assistant in AGH University of Science and Technology ,e-mail: andrzej.pasternacki@gmail.com).
- Prof.Dr. Ayse Kaslilar Sisman Istanbul Technical University, email: kaslilar@itu.edu.tr
- Hitoshi Mikada , Kyoto University. <mikada@ieee.org>

6.6.2. Conference Participaton

In November 2017, a group of ITU EAGE student chapter members attended to the 9th Congress of the Balkan Geophysical Society (BGS 2017) in Antalya which was listed in EAGE Events website. Selected pictures from the event days are given below:

7. Sponsorship

We are seeking a main sponsor that will promote our student chapter activities. We also get in touch with local and international companies by e-mail and still waiting a response for our sponsorship demand. The list of the companies that we applied for sponsorship are given below:

	Company Name	Web Site
1	Arkas Academy	http://www.akademiarkas.com/en/home_page.html
2	Geometrics	http://www.geometrics.com/
3	Sentez Yer Yapı Mühendislik	https://www.syy.com.tr/default.aspx
4	Borusan Holding	http://www.borusan.com.tr/en/home
5	Geosis	http://www.geosis.com.tr/Contact
6	Sanko Holding	http://www.sanko.com.tr/en/home.aspx
7	Nurol Holding	https://www.nurol.com.tr/en/
8	Makyol	http://www.makyol.com.tr/en
9	Rumeli Zemin	http://www.rumelizemin.com/

8. Calender of Upcoming Events

We've already set the next semester's events. The event's list is given below:

March 2018 (2 Days) Short Course: Seismic signal processing: theory and practice from acquisition to imaging and inversion Lecturers: Kemal Özdemir ¹ , Evren Yarman ² (1.ODTU, 2.Schlumberger Gould Research, Department of Geophysics, Cambridge, UK).
April 2018 Seminar: Topic is not arranged yet. Invited Speaker: Ali Polat (Department of Earth and Environmental Sciences University of Windsor)
April 2018 Seminar: Topic is not arranged yet. Invited Speaker: Yılmaz Sakallıoğlu (BGP Inc. Geophysical Research Institute)
May 2018 Seminar: Navigating the path from Academy to industry Invited Speaker: Emin Ulugergerli (Çanakkale Onsekiz Mart University, Geophysical Engineering Department)
